What Is This App?

A daily dose of inspiration from FIFA World Cup 2026 players — delivered to your desktop.

ONE STORY PER DAY

A new inspiring player story appears every day from June 16 – July 19, 2026.

SAVE AS WORD OR POWERPOINT

Every story saves as a .docx article or a .pptx slide deck to your local machine.

ONE SHARED FILE OR INDIVIDUAL FILES

Append all stories into one growing document, or save each player as a separate file.

LIVES IN YOUR MENU BAR

The  icon sits in your Mac menu bar or Windows system tray — always one click away.

OPTIONAL DAILY POPUP

Choose to see today's story automatically every time you open your computer.

The Menu Bar Icon · Your Starting Point

Click the  icon in your Mac menu bar (top-right) or Windows system tray (bottom-right).

 **Today's Story**

Opens today's player story popup immediately.

 **Browse All Stories**

Opens the player gallery — click any card to read that player's story.

 **Settings**

Change your default save folder, file format, and startup preferences.

 **Quit**

Closes the app completely. The icon disappears from the menu bar.

Story Popup · Save Location & Save Mode Bars

Two control bars appear at the top of every story — giving you full control before saving.

 Save to: /Users/you/FIFA_Inspirational_Stories

Browse...

ORANGE BAR — Save Location

Shows where files will be saved. Type a path or click Browse... to pick any folder on your machine. This overrides the global setting just for this one story.

 Save mode: ☒ Append to shared FIFA document ☐ Save as individual file for this player

BLUE BAR — Save Mode

☒ **Append to shared FIFA document**

Adds this story to FIFA_Inspirational_Stories_2026.docx / .pptx — one growing file for all players.

☐ **Save as individual file for this player**

Creates a standalone file named 2026-06-16_Cristiano_Ronaldo.docx / .pptx — complete with cover + Thank You.

Story Popup · Reading the Story

Scroll down inside the popup window to read the full story.

APP HEADER

 FIFA WORLD CUP 2026 | Daily Inspiration — appears at the top of every popup.

PLAYER NAME & INFO

Large gold player name. Below it: Country · Position · Date. Then the story headline in italic gold.

STORY BODY

Full multi-paragraph story. SCROLL DOWN to read all of it. Use the A- A+ A++ buttons (top-right of the window) to adjust text size.

QUOTE BLOCK

The player's most powerful quote, displayed in gold italic between borders.

TODAY'S LESSON

The key takeaway from the player's story — a short lesson in italic text.

Story Popup · The 5 Action Buttons

Five buttons appear at the bottom of every story popup.

Save as Word (.docx)

Saves the story as a Word document to your chosen folder.
Uses the Save Mode selected in the blue bar above.

Save as Slide (.pptx)

Saves the story as a PowerPoint slide deck.
Includes cover page, full story slides, and a Thank You slide.

Save Both

Saves both .docx and .pptx at once.
Recommended for a complete archive.

Open Save Folder

Opens the save folder in Finder (Mac) or File Explorer (Windows)
so you can immediately see and share your saved files.

Close

Closes this story popup.
The  menu bar icon stays active — the app keeps running.

Browse All Stories · The Player Gallery

Menu bar  → Browse All Stories

The gallery shows all 26 players as clickable cards.
Click any card to open that player's full story in a new window.

Jun 16 Cristiano Ronaldo Portugal · Forward	Jun 17 Vozinha Cabo Verde · GK	Jun 18 Lionel Messi Argentina · Forward
Jun 19 Kylian Mbappé France · Forward	Jun 20 Sadio Mané Senegal · Forward	Jun 21 Luka Modrić Croatia · MF

Each card shows the story date, player name, country and position.

Click any card to open the full story popup in a new window — you can have multiple stories open at once.

Stories are ordered by date. Jun 16 = Ronaldo through Jul 11 = Timothy Weah.

Settings Window

Menu bar  → Settings

Save Directory

The default folder where all saved files are stored.
Click Browse... to change it to any folder on your machine.

Output Format

Choose what to save:

- Both (.docx + .pptx) — recommended
- Word only (.docx)
- Slide only (.pptx)

Launch at Login

When checked, the  icon appears automatically in your menu bar every time you log in to your computer.

Show Story at Startup

When checked, today's player story popup opens automatically when you log in. Uncheck to open it manually.

Your Saved Files

All files save to your local machine only — nothing is uploaded or shared.

FIFA_Inspirational_Stories_2026.docx

SHARED (Append mode) — one Word document. Stories are added as new pages each time you save. Includes a cover page with credits.

FIFA_Inspirational_Stories_2026.pptx

SHARED (Append mode) — one PowerPoint deck. Stories are added as new slides. Includes cover + Thank You slide.

2026-06-16_Cristiano_Ronaldo.docx / .pptx

INDIVIDUAL (Individual mode) — a standalone file per player. Contains cover, story, and Thank You slide. Complete and self-contained.

No duplicate stories

The app tracks what has already been saved. Clicking Save again on the same story in Append mode does nothing — it won't create duplicate pages.

Daily Story Schedule · June 16 – July 11, 2026
